

## Hannah Cemetery

Mrs. William Swisher gave inscriptions from this cem. In Nov. 1950 & they were placed in the library in Sullivan Co. I, Debra Mckim walked the cem. again in 2003 & compared what I got to what Mrs. Swisher done in 1950. Mrs. Swisher gave me permission to combine hers with mine so we could give old & new graves alike. If anyone has any info not listed or if something isn't right let me know. Some were hard to read & might not be accurate. Hannah Cem. is located six miles S. of Greencastle, Sullivan Co., Mo. Take Rte. F out of Green castle from Mo. State Hwy. 6. Turn on Port Rd. (rock road across from Rte. BB) & go abt. a mile to the T in the road & turn left on Indian Drive. You will go up a long hill & off to the right will be the cem. You can also get there by taking 129 out of Winigan & go 8 miles North to Mystic, Sullivan Co., Mo. & turn on Rte H & go til you come to Indian Drive to your left. This cem. once was called the Sticklerville Cem. There are lots of old graves & some tombstones were put in new by family members yrs. later. I have given them alphabetically because the rows are not straight. Any added info on individuals is info I have obtained because lots are my relatives. Debra Athon Mckim .
